MV Sheerwater will resume sailings to the Small Isles of Eigg, Muck & Rum in 2022. You will have time on the Island of your choice to explore the landscape and along the way you may have the chance to observe some wildlife as our ferry will detour or slow down to give you the perfect opportunity to take in any wildlife sightings.

Island ferry return prices from Arisaig are as follows:

	<b>ADULT</b>	<b>CHILD</b>
EIGG	£20	£15
MUCK	£25	£15
RUM	£30	£15

Children 2 & under: free but require a ticket

*Prices subject to online booking fee*

If you'd rather a shorter boat trip, one of our 3-hour wildlife boat trips might be the perfect thing for you!

We are lucky to have many spectacular wildlife sightings throughout the season, including sightings of dolphins, minke whales, seals and many species of sea bird.

Although wildlife sightings cannot be guaranteed, our skipper Ronnie will always use his fantastic knowledge of the local area and marine wildlife to seek out any wildlife that is around on the day of your trip.

NEW for 2022 we have a trip which circumnavigates the Island of Eigg. Throughout July & August you can join the 4-hour boat trip which departs from Arisaig and travels to Eigg, then sails around the Island, before returning to Arisaig.

Throughout the summer months we will also have 2-hour sunset cruises. Availability of these trips will be dependent on weather and will be advertised on our social media and in the Boathouse Cafe.

Boat trips prices are as follows:

	<b>ADULT</b>	<b>CHILD</b>
WILDLIFE TRIP	£30	£15
EIGG CIRCUMNAVIGATION	£35	£25

Children 2 & under: free but require a ticket

*Prices subject to online booking fee*

\*We ask that passengers follow all covid guidance which is relevant at the time of trip
